Please help us welcome Ms. Bevan to our team with your usual grace and courtesy.

We would like to simultaneously announce that Mr. Grant Jacobs has retired from the position of Director of National Training. We would like to thank Mr. Jacobs for his forty-nine years of service in industry.

Mr. Jacobs was an instructor at the Northern Alberta Institute of Technology (NAIT) for twenty-three years before becoming the training coordinator at Local 146. In 2004 he assumed the role of Director of National Training. Over the years, he has been active on multiple advisory committees, and local union trust funds.

The entire Boilermaker community has benefited greatly from his invaluable knowledge, and we would like to extend our best wishes to him in his well-deserved retirement.
